## Practice Using Signal Phrases

**Underline** the signal phrase in this example:

In *The Honey Bee's Hive*, Joyce Markovics states that many honey bees live in hives, which is similar to how people live in cities.

**Use** a signal phrase to introduce the *title* and *author* of your source, and then **paraphrase** an idea from that source.

**Title of Source:** \_\_\_\_\_

**Author:** \_\_\_\_\_

**Paraphrase with Signal Phrase:**
