

How to Register

OSLIS 2.0

The screenshot shows the OSLIS 2.0 website interface. At the top, there is a navigation bar with tabs: Define, Plan-, Research-, Digest, Create-, Revise, Present/Publish-, and Reflect. In the top right corner, there are links for 'Log in' and 'Register'. Below the navigation bar, the main content area displays 'Welcome to OSLIS 2.0 for Secondary Students!' and a link to 'Check out our Getting Started FAQ's!' next to a group photo of students. On the right side, there are two sections: 'OSLIS Links' with a dropdown menu labeled 'Choose one', and 'Resources' with a link for 'MLA Citation Maker Secondary'.

Please NOTE that registration is NOT required to use OSLIS 2.0. It adds additional options for storing and sharing items in a folder.
